

Sample Roadmap

By documenting your roadmap everyone in your organization from the board of directors to the front line knows where you are headed

Plinqit is a mobile-first platform and fintech company helping banks and credit unions generate deposits, attract new customers, and expand their retail footprint while helping people live their best financial life. The Plinqit platform is the first savings platform of its kind to bring together automated savings, data-driven financial wellness content, and virtual account management. At Plinqit, we're helping everyone Money Intelligently™.

Visit us at info.plinqit.com to learn more about our offerings and request a demo today.
